New class, new start...

As the children have settled into their new classes and routines, they have been thinking about the year ahead and the goals they want to achieve.

Each class has been working on their class charter and thinking about how they will work together as a team to achieve their goal in becoming BRILLIANT citizens.

BRILLIANT CITIZENS

In this section of the newsletter we hear all about how the children are being **BRILLIANT** citizens!

Mountaineering adventures! Samuel has developed a love of mountain climbing. Over the past few months he's climbed many mountains in The Lake District and in Yorkshire. During the summer holidays he completed the Yorkshire 3 Peaks Challenge, where he climbed 3 mountains (and walked a distance of 24 miles) in under 12 hours. **WOW!** Brilliant achievement, well done Samuel!

Alameen underwent surgery at Royal Manchester children's hospital. It was the coronation period of King Charles III and the children were asked to draw something for the king. Alameen won with his drawing and writing, with the vote of all the NHS children's medical department. Well done Alameen!

Exciting opportunity!

First News are looking to send one junior journalist from the News Club to tour a film set and potentially meet the cast of a fun new film coming out next year. They will need to be available to get to the Northwich area on either Monday 25th or Tuesday 26th September.

Some big names will be in attendance and the junior journalist may have the opportunity to chat to them.

We are looking for a pupil who:

- Will be able to get to the Northwich area on Monday 25th/Tuesday 26th September
- Is between the ages of 8-14
- Would be comfortable chatting to big names
- Can write a 150-word report for First News
- Is interested in fantasy films

Please let me know as soon as possible if you would like to put a pupil forward for this opportunity by replying to this email. We expect to have lots of interest in this, so the first school to get back to me will be given this opportunity.
