

Skateboarding Club

30/06/2025

Dear parents,

Projekts MCR is delighted to be continuing the skateboarding club at Cavendish Community Primary School in the Summer Term.

The sessions will teach children the basic and fundamental skills needed to skateboard safely, and for any children who can already skateboard we will aim to develop their skills further and teach them more advanced skills and tricks.

The club is for Key Stage Two children, years 3-6 and will be held on Thursday and Friday lunchtimes at 1-1.45 pm, starting on the week commencing the 8th of September 2025 and running until the week commencing the 15th of December 2025.

Friday lunchtimes will be the beginners and intermediate group and the advanced will be on Thursdays.

This term we will be using a booking system called Bookwhen to manage our bookings. Please follow the right link to sign your child up. Please only sign up for Fridays unless you have been told otherwise by Projekts MCR. You will be asked for a password. Please don't share this with anyone outside of the school.

There are 14 spaces in each of the clubs and places are allocated on a first come first served basis however the current club members have the opportunity to sign up prior to this.

All equipment will be provided by Projekts MCR. All skateboard coaches are Skateboard Coach Qualified, DBS checked and each session is supervised by a first aider. If you have any questions regarding any of the contents of this letter please contact Projekts MCR by emailing Info@projektsmcr.com.
